

Your Henderson County Democratic Party welcomes you.

Please come in and say hello. Our Headquarters is your stage. This is an opportunity to interact with people of Western North Carolina and explore the many ways to volunteer. Our office is located at 905 Greenville Hwy – open 11 am to 2 pm and closed Sundays.

Contact our *Volunteer Intake Coordinator*, BettyLou at SaludaBlou@hotmail.com. She will explore with you the many opportunities – what you like *and don't like* to do – and put you to work. Our “Volunteers In Action” Form is available on this website.

You will work with volunteers who are already serving in many areas! More help is always needed: building clean up and maintenance, graphics/publishing/writing; event planning, precinct work, elections, phoning, and office coverage are just a few of the important ongoing activities.

We will help you find your place in service to those who are being left behind in our political process. Thank you for stepping up!
